- Participate in "Hack With Chandigarh" Hackthone

Career Objective

I am a final year Computer Science Engineering student with a strong interest in software development. I have a solid understanding of Data Structures and Algorithms in C++ and hands-on experience in frontend technologies like HTML, CSS, and JavaScript. I am seeking an opportunity to apply my skills in a challenging and growth-oriented environment where I can contribute to impactful projects, learn from industry professionals, and further develop my technical and problem-solving abilities.
